Monthly fees are a percentage of the gross monthly rent. Free 60-day trial: no monthly fee for the first 60 days on a new property, not on re-lets; the new tenancy fee still applies. [1] Plus contractor costs. [2] Requires a check-in inventory. [3] Subject to the insurer's terms. [4] 12% inc VAT (10% + VAT) of the total project cost. [5] Initial review only on Budget. [6] On Budget, the tenant pays the first month's rent and the deposit directly to you, and you protect the deposit. Our fee is one month's rent + VAT (120% of one month's rent inc VAT), minimum £720 inc VAT (£600 + VAT), payable when you accept a tenant and before the tenancy agreement is signed.
